SUMMARY

Full Stack Web Developer with 4 years of software development experience, focused on web applications using ASP.NET MVC, C#, JavaScript, and React.js. Experienced in responsive frontend development, backend application logic, REST APIs, and SQL Server reporting, with SAP Business One and Odoo integration experience.

SKILLS

Frontend: React.js, JavaScript, HTML, CSS, Bootstrap, jQuery, AJAX, Axios

React: React Hooks, Context API

Backend and data: C#, ASP.NET MVC, Python, Flask, REST APIs, Microsoft SQL Server

ERP integrations: SAP Business One Service Layer, Odoo

Additional skills: WPF, XAML, Robot Framework, Git

WORK EXPERIENCE

Socius Innovative Global Brains

Aug 2022 - Present

Software Engineer

- Developed full stack web applications with responsive interfaces and backend functionality using ASP.NET MVC, C#, JavaScript, jQuery, Bootstrap, and AJAX.
- Built reusable React.js components, resolved UI bugs, and maintained hybrid web applications.
- Created and integrated REST APIs to connect web applications with ERP data and financial operations.
- Delivered SQL Server reports and dashboards for financial and operational use.
- Automated reconciliation and business workflows with Python Flask and Robot Framework.
- Collaborated with cross-functional teams on ERP feature delivery and application support.

SELECTED PROJECTS

SAP Web Application Integration

ASP.NET MVC, C#, SQL Server, jQuery, Bootstrap, AJAX

- Built web interfaces and application functionality integrated with SAP Business One Service Layer APIs. Used AJAX interactions and MVC partial views to improve interface responsiveness.

React Frontend Web Application

React.js, JavaScript, HTML, CSS

- Developed reusable React.js components, fixed UI issues, and maintained frontend features in hybrid web applications.

ERP Data Integration Software

WPF, XAML, C#, ASP.NET MVC

- Developed desktop applications to exchange data and support ERP workflows across SAP Business One, Odoo, and external systems.

EDUCATION

Bachelor of Computer Science

2017 - 2020

Higher Secondary Studies

2015 - 2017

UI Development Training

2022
